Dear Families & Friends,

I hope that you and your family are staying healthy and safe. The Residents, Sisters and I are praying for you all. The care of our Residents is our first priority and we are continuing all of our strict protocols to keep the Residents safe and free from the virus.

All is well at the Home here, we have no new cases of the coronavirus among our staff, thanks be to God, and the Residents and Sisters are staying well.

This week the beauty shop here in the home has opened again. The Residents are more than happy to have their hair done. The weather and flower gardens are looking beautiful. Many Residents have been able to spend time outdoors to enjoy the warm weather while still social distancing. We continue to encourage you to schedule a window visit with your loved ones.

During this month of the Sacred Heart of Jesus, we pray that His love will bless you and your family.

Gratefully in Christ,

Sr. Theresa Louisa, lsp
