Dear Families & Friends,

Just a quick up-date on the current situation here in the Home. Since Wednesday we have had 1 additional staff member test positive, for a total of 6 positive; 1 tested negative and 4 are still pending.

We have a total of 6 Residents positive, one came back negative and 4 are pending. One of the Residents is in Transitional Care at this time and all other Residents are here at Home in isolation.

Testing for all Residents, (Apartment Residents included), Staff and Sisters will be on Monday August 17.

We continue to follow all recommendations per the Minnesota Department of Health and all Staff, Residents and Apartment Residents are being screened per CDC/MDH guidelines.

We will continue to up-date you as things change. Thank you for your prayers, understanding and support during these challenging times. Let us continue to pray to our foundress, Saint Jeanne Jugan for an end to this coronavirus pandemic.

Gratefully in Christ,

Sister Theresa Louisa, lsp
