

August 10, 2020

Dear Families & Friends,

I hope that you and your families are staying well. The Sisters and I are praying for all of you. Our first priority is our Residents' health and safety.

Since our up-date last week, we have had one Resident who tested positive for the coronavirus. This Resident is in the hospital at this time. Results are pending for five staff members and two Residents. Nursing staff are closely monitoring the Residents for symptoms of the virus.

We are following the Minnesota Dep. Of Health guidelines by wearing facemasks, and those staff providing direct care are wearing protective eyewear throughout their shifts; they are also being screened per CDC/MDH recommendation. Housekeeping continues to disinfect all areas of the Home throughout the day.

Unfortunately, at this time we will have to postpone the Essential Caregiver and Garden Visits.

On a positive note we will continue with Window visits only, please schedule your weekday window visits by calling Patrice or Cassandra and for weekend window visits contact the front desk at 651-227-0336.

Please know we will up-date you as things change. We are very grateful to everyone for your understanding of our visitation restrictions. Together let us pray to Saint Jeanne Jugan to stop the spread of the virus.

Gratefully in Christ,

A handwritten signature in cursive script that reads "Sr. Theresa Louisa, lsp".

Sister Theresa Louisa, lsp  
Little Sisters of the Poor

We could use donations of the following:

- Bottle Water
- Fresh Fruit
- Disposable Hinged Containers
