Dear Families & Friends,

Re: Positive Case of COVID - 19

This afternoon we were notified that a 4th staff member has tested positive for COVID – 19. All those that had been in contact with this employee have been notified. The individual is in isolation at this time. No Residents or Sisters have any symptoms at this time.

The care of our Residents is our first priority. We are following all CDC and Minnesota Department of Health Guidelines to keep our Residents free from the virus.

While this information can cause much fear and anxiety, please know that we continue to follow strict precautions throughout the Home.

On a positive note, Residents are very happy to have their noon meal back in the dining room and are enjoying the warm weather and the flowers outdoors.

We are very grateful for your prayers and the generosity of so many during these times.

Gratefully in Christ,

Sr. Theresa Louisa, lsp
Little Sisters of the Poor
