

November 6, 2020

Dear Families and Friends,

I hope that you and your families are staying healthy. The Residents, Sisters and I continue to keep you in our prayers. Thank you all for your patience. Today with God's blessing we started our indoor visits.

This initiative for indoor Compassion Care/Essential Caregiver visits will bring so much happiness to our Residents, even though we are concerned when listening to the rising cases of COVID-19 around us. We count on you to follow our guidelines and protocols for the safety of the Residents and everyone.

Our results from the testing last week are all back. We had one staff member positive and all Sisters, Residents, and Apartment Residents were negative.

We continue to follow the guidance from the Centers for Disease Control and Prevention (CDC) and Minnesota Department of Health (MDH) regarding the safety precautions which the Residents, Staff and Little Sisters have to follow to prevent contracting COVID -19.

As we begin the month of November, let us pray to all the Saints in heaven for an end to this coronavirus pandemic. We will keep you posted as things change.

Gratefully in Christ,  
Sister Theresa Louisa, lsp  
Little Sisters of the Poor
