Dear Friends & Families,

Just a quick up-date with the results from our last two rounds of testing. From our testing on November 11<sup>th</sup> we had 3 positive cases among our staff and our results from November 18<sup>th</sup> returned two positive results among the staff. The results from Wed. Nov. 25<sup>th</sup> are in and there was one positive result for a Resident. All the Residents in the Apartments are negative and so are all Staff and Sisters who were tested.

The results are taking longer to come back due to the number of samples going into Mayo Lab with the spike in cases.

We continue to follow all the CDC and MN Dept. of Health guidelines and they are reinforced and observed in our Home for the safety of all. All Residents are monitored for signs and symptoms of the virus, and staff are screened daily upon their arrival to work.

We thank God for the many blessings he has bestowed on us throughout this year. We certainly count you as one of those blessings and sincerely thank you for all your kindness and generosity to us.

Let us continue to pray for one another as we begin this Advent season together for an end to this pandemic and to pray for peace everywhere. May this time also draw us near to “the child Jesus” who will continue to bring goodness and light to the world. We will continue to up-date you as things change.

Gratefully in Christ,

Sr. Theresa Louisa, lsp  
Little Sisters of the Poor
