

June 23, 2021

Dear Families & Friends,

I'm happy to share with you that the county positivity rate for Ramsey county has dropped to 1.7%. Our unvaccinated staff members still must test once a month and they have continued to test negative, thanks be to God.

The health and safety of your loved ones remains our top priority, therefore we continue to follow all recommendations from the Minnesota Department of Health and the CDC guidelines for long-term care facilities.

The Residents are very happy to have their loved ones back in to visit. Families must sign up at www.littlesistersofthepoorstpaul.org and use the Sign-Up Genius tab to schedule visits at least 24 hours in advance.

Mother Theresa Louisa and Sr. Christine left in us in May for their new assignments in Gallup, New Mexico and Sr. Michael left for Denver, Colorado. I will be leaving in the future. We welcome Mother Theresa Gertrude on Monday June 28th. Many of you may remember her from her time here before. Sr. Cecilia and Sr. Mary William will be coming in the future. We also welcomed our new Provincial, Mother Provincial Julie this week for a visit.

We are truly grateful for God's protection over our Home this past year and every year. Our deepest gratitude to everyone for their continued generosity, love and support. We will up-date you as things change.

Gratefully in Christ,
Sister Mary Elizabeth, Isp
Little Sisters of the Poor

We could use donations of the following:

- Clorox Wipes
- Small Bottles of Water
- Tide Pods HE
- Bounty Rolls of Paper Towel
- Finish Gel Packs for Dishwasher
