

October 9, 2021

Dear Families & Friends,

For the past three weeks all staff had tested negative, thanks be to God! Unfortunately, on Friday evening we found out that one staff member tested positive.

With the high transmission rate in Ramsey County and in compliance with the Minnesota Department of Health, we continue to test unvaccinated staff members twice weekly and strongly encourage them to get vaccinated.

Fortunately, the staff member who tested positive had no direct caregiving responsibilities and so because of this, visits with your loved ones will not be impacted at this time. Please continue to use Sign-Genius on our website at www.littlesistersofthepoorstpaul.org and click on the Family Visits tab. Remember to sign-up at least 24 hours in advance. If you are having trouble signing up, please call the Sister on the unit to assist you. Just a friendly reminder, please follow the guidelines for visitation of the Home: hand sanitizing, sign-in, and continuous mask wearing.

For Compassionate Visits please continue to contact the Sister on the unit to schedule your visit by calling 651-227-0336:

2nd Floor – Sr. Maria Joseph #1701 (once again we are happy to announce that after her hip surgery, will now be taking calls again).

3rd Floor – Sr. Cecilia #1701

4th & 5th Floors – Sr. Mary William #1745

If you want to take your loved one offsite for any reason, please contact the Sister on the unit at least 24 hours in advance.

Again, thank you for your patience and understanding as we all work together to keep the Residents, Sisters and staff safe during this time. We continue daily to pray for the safety of all.

May God bless you!

Mother Theresa

Mother Theresa, lsp

We hope you enjoy all the beautiful colors of fall.
