

July 8, 2022

Dear Families & Friends,

I hope you are staying cool during these hot days of summer, and you had a wonderful 4th with loved ones. Here at Holy Family Residence the Residents enjoyed a typical 4th of July family picnic with all the trimmings including; hamburgers, hot dogs, potato salad, baked beans, corn on the cob and watermelon, everyone enjoyed the day.

It's been about a month since you last heard from me, all Covid testing continues to be negative, thanks be to God. We are very grateful that you continue to use Sign-Up Genius, it really helps us in coordinating the rapid test before visiting your loved ones. As always if you need any accommodations for visiting, please contact Sr. Cecilia. If you are taking your loved one out of the building, please schedule twenty-four hours in advance if possible.

Many of you are probably aware that Kim Lennox our Social Worker has left to go back to palliative and hospice care, she has a great gift for the specialty of caring for the dying. We had plans for a new social worker to start almost immediately, but her plans changed so we are once again looking for a social worker. Because of this, during this time of transition, we may be without a social worker for a couple of months. Please join us in prayer that we find someone who has a love of working with the elderly, is knowledgeable and familiar with federal and state regulations for long term care. During this interim if you have any concerns, please don't hesitate to contact me. If I'm not available at the time of your call, I will gladly return your call as soon as possible.

Good news, we will be offering the second Covid booster hopefully the first week of August. Next week we will be sending out authorization forms for those who need them.

We pray for all of you to stay healthy and that your summer may be one of rest, peace, fun and shared time with family.

May God bless you!

Mother Theresa, lsp
